

## 2017 Daylily Price List

---

The following is what we have to offer for spring 2017.

As always we will give you the biggest fans that we can. PLEASE provide several alternates for each category. Due to northern climate we don't ship until the end of May when the plants have completely come out of dormancy. Shipping is \$20.00 plus \$1.00/plant.

Enjoy, have a great season!
